President's Message

I hope this finds all of you enjoying the New Year and staying warm. It has been colder than normal and this is the first time in many years that we have kept snow on the ground for an extended period of time.

The club trails have all been marked and have been seeing some good use. In talking with two club members today they report that the trails are in good shape. More snow is predicted as I write this so that will only help them get even better.

Some events coming up are as follows:

- We will have a dinner meeting on January 20th just prior to the club trip. This will be at 6pm at Rosita's in DeKalb.
- The club trip is Feb 4-7th in Hayward-See enclosed details.

If you haven't had a chance to send in your membership please do so as soon as you can. You can print off the form on the club website or use the one provided.

Next Board meeting January 27th at PJ's in Sycamore. We are still looking for more Board Members. If you have some spare time, please give one of us a call to volunteer.

"Volunteer your time to the KSS Board and you and your family will get their 2009-10 membership fee waived!"

Mark Thompson, one of our board directors, is ready to hit the trails!

Time to play in a field.

KSS Club Trip (Feb. 4-7 2010) Grand Pines Resort - Hayward, WI

The Annual Club Trip finds us heading West to Hayward WI this year. We had a vote that took place on the website to help choose this year's destination. With all the responses we received an overwhelming amount of you wanted to go back to Land O'Lakes this year, however our lodging for that area has fallen through. So, we have decided to go to the next favorite choice which was to the Hayward/Cable area. In order to try and accommodate everyone we have made arrangements for us to stay this year at Grand Pines Resort. Grand Pines is located on Big Round Lake located between the Chippewa Flowage and Lake Namakagon. They are located on the premises of Famous Dave's restaurant as well. Lodging accommodations are excellent with motel room options along with beautiful cabins located right on the shores of Round Lake. The motel rooms are \$79/night and the Cabins start at \$225/night for 6 people. **If you stay for two nights in a cabin you get the third night FREE!!** In looking around this area this is the most affordable that we have had in many years. The Hayward area has a ton of things to do and a very diverse trail system where you can ride from flowages and lakes to fire roads all day. Call the Grand Pines and tell them you are staying with the Kishwaukee Super Sledders.

We hope to see you there!!!
